

Whole School Homework Schedule Summer 2023

Pupils may continue to work for longer than the recommended time if they so wish.
When exam papers are set for homework, they may take more than the allotted time to complete.

If parents have supported their child with homework, please indicate this by writing 'Parental Support Given' next to the relevant piece of work.

Additional homework may be provided for pupils at any time, if it is necessary to support children's learning. This may include cross-curricular project work and relevant revision materials during periods of preparation for examinations.
