CORE VALUES

Our mission is expressed through specific core values that form the guiding principles of everything we do.
At The Hampshire School Chelsea, we aim to:

Resilience

Develop pupils' self-esteem, resilience and well-being through applying a Growth Mindset to learning.

Respect

Create an atmosphere of mutual respect and consideration for the ideas, values and feelings of others.

Responsibility

Encourage responsibility in every pupil so they can confidently make decisions and choices for themselves.

Community

Value and develop strong partnerships with our parents and the wider community.

SCHOOL PROGRESS PLAN

For 2022-2023, key aspects identified from Governance to bring our vision to life

Communication and Technology. Preparing pupils for an ever-changing world

We will aim to develop pupils who are independent in their ability to use digital technology to communicate ideas and work collaboratively.
We aim to ensure that they make confident choices when presenting their learning and understand the value of technology for their future.

Going the extra mile in sports. Healthy body, healthy minds – connecting mind and body

At The Hampshire School Chelsea, we will continue to aim high in sport. Through our extensive Physical Education, swimming, ballet, gymnastics and co-curricular clubs programme, taught by highly qualified sports coaches, our children will experience a breadth of sports opportunities.

Embedding the values of collaboration. Building a broader sense of community

Through our vertical House school system, the school's pupil-led Development Groups, pupil voice, core values, charitable endeavours and implementation of a vertical buddy system, we will broaden the benefits of The Hampshire School Chelsea's strong sense of community.

We will ensure that all parents feel part of the school community through the PA and develop a programme of events and activities throughout the year.
